Dear Friends,

As many of you know, Danielle McGee passed away very tragically in September, leaving Jimmy to carry on for their two young daughters. Now that some time has passed, the reality of raising two young daughters, managing a mortgage alone and making it through every day must be monumental. It is our hope to, in a small way, alleviate some of the financial strain that this family is experiencing. We are requesting that each person /couple donate what they can. Think of what you might spend on an evening out, and what that amount could mean to this family. A memorial fund has been established in Danielle's name at a local bank. Please pass this information on to anyone you think may be interested. Thank you, in advance, for your generosity,

Laura and Dave Brodbeck (617-825-3089)
